

EXCELLENCE IN MOTION

EXPAC FORWARDING

About Us

The foundation of the business consists of core services such as Air and Ocean Freight Forwarding, Domestic and International Courier Express & Lead Logistics with Warehousing and Cross-Border Transportation.

These services are offered as standalone services or can form part of a complete supply chain solution.

With these transport elements in place, ExPac Forwarding implements, and manages the entire supply chain from Purchase Order up to final delivery, with a focus on offering visibility across all cargo movements.

- ✓ We provide personalized Shipping Solutions, specializing in freight forwarding, lead logistics, customs clearance and warehousing.
- ✓ Our dedication to quality and long-term personal relationships, with hands on service and support is the cornerstone of our success.
